- Shotguns with fewer than 116 players begin at 9:30 am on Mondays and Thursdays; 1:30 on Friday, Saturday, and Sunday afternoons. Two Foursomes will be assigned per starting hole as needed.**
- The final number for golfers is due one week prior to the date of the outing. Increases to that number after that date may be allowed but at the discretion of the club. An actual count will be taken the day of the outing. The final bill will be adjusted based off of the actual count up to 10% off the final number of golfers confirmed, but no less than 120 for a full shotgun. There will be no adjustments for any food service, as the food has been pre-ordered. The club is not obligated to accommodate any more than the final confirmed number of players.
- To avoid delays or to insure all players arrive with ample time to register we suggest you advertise the start time as ½ hour earlier than the contractual time.
- Golf carts are required for all players. Spectators are not allowed.

## **II. BILLING, DEPOSITS, REFUNDS, RAIN DATES**

- Deposits:** Deposits and signed contracts are required for all golf events. A reserved date is official only after we have received the deposit and contract. A deposit of \$500.00 is required for all full shotguns, \$300.00 for all other outings. **Note: the deposit serves as a security against damages to club property, incorrect meal counts, etc. incurred during your outing. The club will notify the contact listed above the day of the outing should there be any claim against the deposit.**
- Refund of deposits:** Outing deposits are refundable if notice of cancellation is given 45 days prior to the outing date. All outings cancelled due to inclement weather will be issued a full refund. The club may honor a request to reschedule any outing at the discretion of management and the entire deposit becomes non-refundable thereafter.
- Rain Dates:** If play is not possible on the date scheduled (as determined by Easton Country Club), we will do everything possible to schedule a rain date. However, if the course is open, deemed playable, and carts are available, the outing is expected to play.
- Billing:** Payment for the outing is due on the date the event is scheduled. It is preferred that a single check be submitted to cover all expenses related to the tournament and food service. Credit cards will be accepted with a 2% surcharge. Invoices may be prepared in advance per your request.

### III. FOOD AND BEVERAGES

- A. **Meal selections** must be submitted one month prior to the day of the event. The actual number to be served is requested 7 days prior to the outing. The final number submitted is the number you will be billed for, regardless of any no-shows. **If you are expecting additional guests for dinner who are not playing golf, these people must be included in your final count.**
- B. **Coolers are not allowed on the golf course at any time, including coolers given as door prizes.**
- C. **Outings are not permitted to distribute any food or beverages which have not been purchased through the club. This includes any donated products.**

### D. ALCOHOLIC BEVERAGES

- a. The Club, in accordance with State law, is solely responsible for the sale and distribution of alcoholic beverages: the club must supply all alcohol. Additionally, State Law defines parking lots as public ways. Therefore no alcohol beverage open container is permitted in the parking lots at any time. Violators will forfeit golf and dinner privileges and must leave premises.
- b. **The club reserves the right to search any personal carry items to enforce the alcohol policy. This includes golf bags, gift bags, etc.**
- c. It is the responsibility of the Tournament Director to see that all participants abide by the above policies.

### IV. PACE OF PLAY AND LIABILITY

- A. To properly utilize the course and for the enjoyment of all, proper pace of play is expected. The Club's rangers have the authority to address any pace of play issues. For that reason, five-somes are strongly discouraged, and must be approved beforehand by a club manager. **Any group that cannot keep pace with the group in front may be required to skip a hole.**
- B. The Club reserves the right to monitor all golf outings and banquets. Liability for damage to the premises will be charged accordingly. The Club is not responsible for personal property and equipment brought onto the premises.
- C. **Golf Carts:** Each person is responsible for any damages occurring on the above date to carts rented to the above group. It is agreed that in signing this form for golf cart rentals, the signatory agrees to:
  - a. Assume responsibility for any and all damages caused to carts due to negligent use of operation of same.
  - b. Release owners of the Club, their employees or agents, from any liability for injury to his person or property resulting from the operation of the cart, except due to the extent caused by the negligence of the releases.
  - c. Indemnify the releases from any liability to any persons on the club premises for personal injury or property damage resulting from the operation of the cart except to the extent caused by the negligence of the releases.
  - d. Not allow children (under 16 years) to operate the cart.
  - e. Not to drive the golf cart outside the golf course property or in restricted areas.
